Hi,

I couldn't find a better place to ask the following:

When trying to sign-up to "Online Training: Introduction to Graph Databases and Neo4j" (<http://neo4j.com/graphacademy/online-course/>) I get a 404 error page stating "Node not found, or perhaps it is adrift. Reconnect to it with a search...".

Could anyone help with this issue?

Thanks
Jsoe

Hi Jose,

it works for me, just tried, can you try again?

Thanks M
