hi Aileen

thanks a lot for your Information about Neo4j.

I ask you about version 2.2.0 MO2(enterprise). why are there some functions in old version but there aren't them in new version? or there is n't a document about these changes.

for example i used kernel 2.2Mo2 OR 2.2mo4 in my java project then I need to use batchDatabase function but there is n't. i found it in kernel 2.0 .

please help me!!!
