Dear All:

I am reading some use cases of Neo4j on their official web site,

<http://neo4j.com/use-cases/>

They are great that can show the possibility can made by Neo4j.

But, are there any other additional resource related with Neo4j use case can refer by us? We would like read document with more details specific information.

Thanks a lot!

Is there a specific use-case you're interested in?

Cheers, Michael
